zChocolat has created a single-shape chocolate with 26 recipes numbered from 0 to 24 plus the Z chocolate. Each chocolate is 100% natural, made with fine cocoa and fresh local ingredients, low in sugar, no preservatives, no alcohol, no GMO, no coloring and 100% pure cocoa butter. Such delicate chocolates are meant to be eaten within two weeks of delivery and should not be refrigerated or frozen. They should be kept in a cool place between 15° C and 20° C (59° F and 68° F). We recommend a tasting temperature of 18° C to 20° C (64° F and 68° F). If you have any questions, please email us directly at zcontact@zchocolat.com.

Our flagship Z chocolate combines two of our favorite recipes: a soft, sweet and salty caramel and a crunchy praliné made from slow-roasted Piedmont hazelnuts. The Z chocolate comes in your choice of three couvertures: white chocolate, 40% Ivory Coast milk chocolate or Venezuelan and Madagascan blend 70% dark chocolate.
